

# Star Wars Utensil Pockets

Cut front of pocket 18 x 27 holes and backs 27 x 27 holes. Cut bottom corners as shown in pattern below. Stitch pattern, changing colors as shown. Unmarked areas are stitched in white. Overcast and whipstitch with white. Overcast the top of the front piece then continue on by attaching the back around sides and bottom. Overcast top of back piece and unattached portions of the sides.

Fold napkins and place inside pockets with utensils.
