

# Ravenclaw House Crest Pattern Instructions

This pattern uses DMC floss colors.

The number of threads used will vary depending on the size cloth or canvas you are using. A good suggestion would be to do a few practice stitches to ensure the desired effect. The six part graph below shows the order of the six sections of this pattern. If using white cloth, it may not be necessary to stitch B5200 outline, but keep in mind the B5200 color is used in the inner part of the crest.

Red lines mark the middle.
